

2018-2019

# PAUL TULANE AWARD

## APPLICATION PREPARATION

For us to learn more about you, your ambition, and your creativity, please answer two of the following questions (250 to 500 words each).

- 1.** Propose the newest monument to be constructed in our nation's capital. Is the monument of an individual or group? Why does it deserve to be constructed?
- 2.** Does a rising tide really lift all boats?
- 3.** Chronic Traumatic Encephalopathy (CTE) has recently become a widespread and well known issue. The argument can be made that CTE is "man made." What are other aspects of modern living have the potential to create future health issues that do not currently exist?
- 4.** Choose one of the following roles: doctor, social worker, or public health specialist employed by the city government and describe how you would address an opioid epidemic in your community.
- 5.** Every person has obstacles that they face in their life. Describe your greatest obstacle as if they are a person. Give them a name, a backstory, and explain how they interact with you.

**Please note:** We provide this document so that you may prepare your application in advance. The Paul Tulane Award Application may only be submitted online via your Green Wave Portal at [apply.tulane.edu](https://apply.tulane.edu)
