

2019-2020

# PAUL TULANE AWARD

## APPLICATION PREPARATION

For us to learn more about you, your ambition, and your creativity, please answer two of the following questions (250 to 500 words each).

- 1.** Where will mankind learn more: at the bottom of the sea, or in the far reaches of space? Explain and defend your choice.
- 2.** There's an app for that...or is there? How would you leverage technology to improve one aspect of our lives in a way that has not been done before?
- 3.** The 2020 elections are on the horizon. You are a candidate among many in a loud field. What would be your "whisper" to set yourself apart and gain support?
- 4.** Some artists prefer to create in remote places, while others draw inspiration from the hustle and bustle of an urban landscape. Are you more creative in urban or rural settings, and why?
- 5.** As global demographics shift and change, how will our conceptions and definitions of "diversity" change?

**Please note:** We provide this document so that you may prepare your application in advance. The Paul Tulane Award Application may only be submitted online via your Green Wave Portal at [apply.tulane.edu](https://apply.tulane.edu)
