

UIC BARCELONA ARCHITECTURE PROGRAM

You've been admitted to Tulane for the Spring – What's next? In the fall, you have the option to study abroad in Barcelona, Spain at the Universitat Internacional de Catalunya. This program offered by UIC is designed specifically for Architecture students to begin cultivating the theoretical and practical applications of the field. Studying at UIC Barcelona will allow you to stay on track to graduate from Tulane's School of Architecture.

UNIVERSITAT INTERNACIONAL DE CATALUNYA - BARCELONA, SPAIN

Located in the capital of Catalonia, UIC provides an international, multicultural university atmosphere in one of the world's leading cities in innovation, business, culture, art and design. Home to only a few thousand students, UIC Barcelona provides an individualized educational experience within a vibrant, cosmopolitan scene.

UIC CURRICULUM

Students will take four courses and earn 15 transferable credits. The coursework will combine introductory Architecture courses and core curriculum courses in Mathematics and Language. The following is a breakdown of the courses offered by UIC Barcelona and their transferable credits to Tulane University:

UIC BARCELONA	TULANE UNIVERSITY
Spatial and Formal Analysis	ARCH1011 Architecture Studio
History of Art and Architecture	ARCH1110 Intro to Architecture
Formal Reasoning	MATH1940
